Read our 5 star reviews on Wedding Wire!

Thank you for your interest in our bridal services. We LOVE helping our brides look and feel amazing on their big day. Our goal is to provide you with a smooth, hassle free experience and help your entire bridal party look their very best while enjoying the experience from start to finish.

(prices are subject to change and can't be guaranteed
until your contract has been signed)

Bridal price menu

We have a unique second floor at our salon that we use exclusively for bridal parties when you choose to visit the salon on the day of your wedding. We offer water, coffee, tea & orange juice as well as a selection of fruit, bagels, yogurts & pastries to snack on. We have champagne glasses if you would like to bring your own champagne for a toast to the bride or make mimosas while you relax in your own space. We can also travel to your location on the day of your wedding if you prefer. **Travel prices are listed in parenthesis next to each service and there are some restrictions listed below the service menu in regards to travel as well.** We will take great care of you no matter which option you choose!

Clip-in extensions	\$20
Blow dry & simple style	\$45
Bridal party makeup application	\$75 (\$85 travel)

*all makeup services include strip lashes & airbrush foundation upgrade option

Booking details

Secure your date:

- Contract completed and signed by bride and salon owner/manager
- Bridal hair and makeup trial scheduled
- Deposit of 50% of service total must be paid at the time of booking (changes can still be made leading up to the wedding, adding/changing services etc but please complete the contract to the best of your ability as our schedule does fill up and we want to have PLENTY of time with your bridal party)

45-days prior to your wedding date:

- After this point we cannot refund your deposit as it would be difficult to fill that space that was reserved for you with new guest appointments. If someone in your bridal party decides they do not want the services scheduled you can replace them with someone else but we cannot refund the deposit. We try to add in as many last minute services as possible but of course we cannot guarantee that we will have availability to add bridal party members/services as the date gets closer.

Additional details:

- Payments must be made through one point of contact (typically the bride). We cannot accept multiple forms of payment.
- 20% gratuity added is automatically added to all bridal parties of 3 or more.
- If a member of your bridal party does not receive their services on the day of the wedding (they do not show up, they arrive very late, they change their mind etc.) they will still need to pay full price for the services that were scheduled.
- All members of your bridal party must arrive at the same starting time. We cannot be responsible for staying on time if someone arrives at any time other than the start time of the entire bridal party.

Traveling to your location:

- We cannot accept payment on location so the balance owed must be paid 1-week prior to wedding date including gratuity. We can accept payment over the phone with a credit card.
- We travel in a 10 mile radius of our salon location address. Outside of that area we add a \$25 per stylist charge for EVERY 5 mile increment outside of our radius to account for time spent traveling.
- We need plenty of seating, a table for our tools and lots of outlets. We can bring our own ring light to make sure we have the correct brightness we need to work.

Special Offer

\$25 off any hair color service or \$50 off any hair extension service at Love Salon for you and everyone listed on your bridal contract (one offer per guest) leading up to the wedding date.
