Read our bridal reviews on Wedding Wire

Thank you for your interest in our bridal services. We LOVE helping our brides look and feel amazing on their big day. Our goal is to provide you with a smooth, hassle free experience and help your entire bridal party look their very best while enjoying the experience from start to finish. We have a private second floor at our salon that we reserve for bridal parties when you choose to visit the salon on the day of your wedding. We offer water, coffee & tea and refreshments to snack on. We have champagne glasses if you would like to bring your own champagne for a toast to the bride or make mimosas while you relax in your own space. We can also travel to your location on the day of your wedding if you prefer. **Traveling to your location does include a fee per stylist (pricing below). We travel up to 10 miles from the salon address, but we do require at least 4 people to be in your party in order to travel.**

Prices are subject to change and can't be guaranteed until your contract has been signed. If at any time there are circumstances outside of our control we will contact you of changes immediately and work with you to create the best options.

Occasionally we employ third party stylists/makeup artists on a freelance basis if our stylists are not available or we need extra hands. Their prices may vary from ours and would always be discussed with you ahead of time.

Bride's Services

Hair & Makeup Trials (60-75min each)	\$90 per service
Formal Bridal Style	\$115 (\$125 for master artist)
Extensions in the hair at time of service	\$20 additional
Makeup Application + False Lashes	\$120

Bridal Party + Guests

Formal Style	\$85 (\$100 for master artist)
Child's Up-Style (under 10 years old)	\$55
Extensions in the hair at time of service	\$20 additional
Makeup Application + False Lashes	\$90

Traveling + Special Dates or Holidays

\$100 per stylist traveling to your location on the day of your wedding is added to your service total. If you are receiving hair and makeup there will always be at least 2 stylists attending.

We travel in a 10 mile radius of our salon location address (749 Street Rd, Southampton Pa 18966). If we are able to travel further we add a \$25 per stylist charge for EVERY 5 mile increment outside of our radius to account for time spent on the road and therefore limits our time to service paying guests. Thank you for understanding!

We typically aren't able to accommodate Sunday or holiday weddings but you are welcome to check those dates with us. If we are available to accommodate your date there is a 25% up-charge on all services and we must be able to travel to your location as the salon will remain closed.

Booking Details

Secure your date:

- Contract completed and signed by bride and salon owner/manager. Pricing spreadsheet emailed to the bride for approval.
- Bridal hair and makeup trial scheduled
- Deposit of 50% of service total must be paid at the time of booking (changes can still be made leading up to the wedding, adding/changing services etc but please complete the contract to the best of your ability as our schedule does fill up and we want to have PLENTY of time with your bridal party)

45-days prior to your wedding date:

- **After this point we cannot refund your deposit.** If someone in your bridal party decides they do not want the services scheduled you can replace them with someone else but we cannot refund the deposit. We try to add in last minute services when possible but of course we cannot guarantee that we will have availability to add bridal party members/services as the date gets closer.

Additional details:

- Payments must be made through one point of contact (typically the bride). We cannot accept multiple forms of payment. 20% gratuity added is automatically added to all bridal parties of 4 or more.
- If a member of your bridal party does not receive their services on the day of the wedding (they do not show up, they arrive very late, they change their mind etc.) they will still need to pay full price for the services that were scheduled.
- All members of your bridal party must arrive at the same starting time. We cannot be responsible for staying on time if someone arrives at any time other than the start time of the entire bridal party.
- Health & safety guidelines must be followed according to the CDC at the time of your wedding - we must adhere to whatever is currently applicable and ask that your bridal party does as well.
- Everyone must have clean and FULLY DRY hair. If we need to blow dry hair that was washed day or night before and is still damp there is an additional fee for time and we may run off schedule. Formal styles simply can't be done on hair that is damp or very dirty.

Traveling to your location:

- We cannot accept payment on location so the balance owed must be paid 1-week prior to wedding date including gratuity. We accept payment over the phone with a credit card or cash/check in person (no Venmo or other online payment sites).
- We need plenty of seating, a table for our tools and lots of outlets. Natural lighting is best. If you are in a hotel please ask them to provide these items ahead of time and have them set up upon arrival.

Contact Information

Bride's Contact Info:

Name

Cell Phone

Email Address

Mailing Address

Mother of Bride or Maid of Honor Contact Info:

Name

Cell Phone

Email Address
