Thank you for your interest in our bridal services! We LOVE helping our brides look and feel amazing on their big day. Our goal is to provide you with a smooth, hassle free experience and help your entire bridal party look their very best while enjoying the experience from start to finish. We have a private second floor at our salon that we reserve for bridal parties when you choose to visit the salon on the day of your wedding. We offer water, coffee & tea and refreshments to snack on. We have champagne glasses if you would like to bring your own champagne for a toast to the bride or make mimosas while you relax in your own space. We can also travel to your location on the day of your wedding if you prefer. We will take great care of you no matter which option you choose!

Prices are subject to change and can't be guaranteed until your contract has been signed. If at any time there are circumstances outside of our control due to COVID-19 or similar situations we will contact you of changes immediately.

Booking Details

Secure your date:

- Contract completed and signed by bride and salon owner/manager
- Bridal hair and makeup trial scheduled
- Deposit of 50% of service total must be paid at the time of booking (changes can still be made leading up to the wedding, adding/changing services etc but please complete the contract to the best of your ability as our schedule does fill up and we want to have PLENTY of time with your bridal party)
- We do require a credit card on file at the time of your deposit. You will be notified by email before any charges are made.

45-days prior to your wedding date:

- After this point we cannot refund your deposit. If someone in your bridal party decides they do not want the services scheduled you can replace them with someone else but we cannot refund the deposit. We try to add in last minute services when possible but of course we cannot guarantee that we will have availability to add bridal party members/services as the date gets closer.

Additional details:

- Payments must be made through one point of contact (typically the bride). We cannot accept multiple forms of payment.
- 20% gratuity added is automatically added to all bridal parties of 3 or more.
- If a member of your bridal party does not receive their services on the day of the wedding (they do not show up, they arrive very late, they change their mind etc.) they will still need to pay full price for the services that were scheduled.
- All members of your bridal party must arrive at the same starting time. We cannot be responsible for staying on time if someone arrives at any time other than the start time of the entire bridal party.
- Health & safety guidelines must be followed according to the CDC at the time of your wedding - we must adhere to whatever is currently applicable and ask that your bridal party does as well.

Traveling to your location:

- We cannot accept payment on location so the balance owed must be paid 1-week prior to wedding date including gratuity. We can accept payment over the phone with a credit card or in person.
- We need plenty of seating, a table for our tools and lots of outlets. Natural lighting is best. If you are in a hotel please ask them to provide these items ahead of time and have them set up upon arrival.

Special offer:

\$25 off any hair color service or \$50 off any hair extension service at Love Salon for you and everyone listed on your bridal contract (one offer per guest) leading up to the wedding date.
